“ To my Uncle,

Thank you for always supporting me and showing how much you loved me. I always knew I could count on you for encouragement in the challenges I faced. I knew you would always be there when I needed you. I love you and miss you!

Love,
Shara (Blue Baby, Teach and the Master)

“ Grandpa, I really do not know where to even begin. You were an amazing person and I will love you forever. From your many jokes, to the many hilarious arguments that you and Grandma would have. I hope that you live in forever peace and paradise! Much love to Mom, Lisa, Grandma, and the rest of the gang. I have one more thing to say...."Pull my finger!"

“ Grandpa, you were the best grandpa ever! I miss your Saturday morning calls, you singing to me " a bushel and a peck and a hug around the neck". I have so many good memories with you! I will truly miss you.. You always told me "Jennifer you were my first true love, my first grand child" You never missed an opportunity to tell me that you loved me..You would call me on my birthday early in the morning and sing Happy Birthday to me, send me birthday cards and always try to play a April Fool's joke on me!! I'm so glad you got to see and spend some time with both of my boys (Grant and Grayson) and mostly I'm glad you were able to see me get married.. Grandpa I love you soo much and I wish you were still here..

“ To my beloved cousin James Barton and his loving family....I express my heartfelt sympathy for the loss of a husband, father, grandfather, brother, uncle, and a cousin to all of the family. You will be missed by those who loved you. May God's blessings and His peace abide with all the family. Love your cousin, Rita Smith in Corbin, KY

“ To the family of James, my condolences to you. James was one of the elite. He worked hard for his family and loved all of them so much. He was loved by many, especially my Aunt Wilma and Uncle Floyd Garland. He was more like a brother to her rather than a cousin. They confided and were comforting in each other. May he rest in peace with the Lord and I prayer for his family that they will be comforted.

“ Dear Joyce, Cheryl, Lisa, and Kathy and Wilma. I am so sorry for your loss. James was a wonderful Dad, Husband, Brother, Cousin and Friend to many. I always enjoyed speaking with him whenever I seen him at Floyd and Wilma's home. He will be missed by us all. I am happy to have known him. May he rest at peace with God.

“ James was a wonderful man who always provided for his family and loved deeply those that were the closest to him. My prayers are with the family, especially my sister-in-law Wilma who loved James and considered him as close as a brother. I pray his family finds peace and remembers James as the wonderful man he was. May God bless this family.

“ Joyce, Cheryl, Lisa, Kathy & Family.....
You know how much we love you and how much we love James and how precious and dear he was to us. He was my brother, cousin, friend, and we shared a lifetime of memories that go back to childhood. I miss him so much already that my heart breaks. He was a first class human being; raised by wonderful parents that he loved dearly. I was proud of him and had the utmost respect for him. "Family" meant everything to James and he was proud of his family. He will be missed so much. Our lives will not be the same without him. His death has left an empty spot in my life that no one else can fill. Love all of you and please know that our thoughts, love, and prayers are with you during this difficult time and we share in your sorrow.
